

**64** YEARS  
in nuclear  
power

**127** YEARS  
in the electric  
power industry

From the first generation of nuclear power to the next generation of plants, Sargent & Lundy is the trusted expert-of-choice for successful projects.

Our technical excellence, innovative strategies, and project leadership allow us to deliver cost-effective results for operating plant initiatives and new station development. We aim to help each of our clients achieve the most with their nuclear assets.
