

Delivering as promised

to the industry and our customers.

During these uncertain times, a reliable partner for nuclear plant operators has never been more important.

At Framatome, we remain committed to delivering the most advanced fuel products and services. With more than 60 years of experience and expertise, Framatome offers predictable and reliable fuel solutions. With an unwavering focus on health and safety, we are determined to provide value-added and innovative solutions. Whether you are preparing to change to 24-month operating cycles or need more maneuvering flexibility, we can get you there. Check out our advanced portfolio today and see how we can provide a brighter, more certain, carbon-free future together.

Together, we're continuing to write stories of success. Read the whole story at [framatome.com/stories](https://www.framatome.com/stories).

Your performance
is **our** everyday **commitment**
