

# Power on. For the future of clean energy.

You've been powering communities for decades, and now you're leading the way in carbon-free energy production.

For more than 60 years, Framatome has been a dependable partner for North American utilities, investing in the advancement of nuclear energy. Our experience, expertise and commitment to the future of carbon-free energy uniquely position us to develop innovative solutions you can count on.

Our people stand ready to work with you towards a brighter and cleaner tomorrow. Together we will create a better world for the next generation to call home.

**Power on.** For the future of clean energy.
