

# CONTAIN YOURSELF

Petersen Inc. is proud to be an integral part of the clean-up of waste generator sites around the country helping to make it a cleaner and safer environment for future generations. We fabricate, machine and test dry fuel storage casks, transportation casks and waste containers for the nuclear industry. In fact, we have delivered over 20,000 high quality containers to our customers for over 20 years. We also provide custom manufactured equipment for decommissioning projects worldwide. When it matters, and you want high quality products, call Petersen Inc.
