

For the most Tenacious Defense against Foreign Material and Dropped Objects:

Call  **ALPHASOURCE.**

Custom-Manufactured FME Solutions of All Types and Sizes

Foreign material costs the International Power Industry billions of dollars each year in lost electrical generation, rework, equipment replacement/repair and manpower. As a response, Alphasource has been a provider of high quality engineered Foreign Material Exclusion (FME) control devices for the power industry for decades. Over the years our products have become the industry standard, and have been used extensively in power plants in the US & over 30 countries around the world, saving time, money, and other resources. All of our covers are certified to meet NFPA 701 Test Method 2 and NFPA 805 requirements, can be reused for years, and can be installed and removed in minutes without the use of tape, further reducing waste. For cost-effective methods to increase plant efficiency and maximize capacity factors, contact us today. Alphasource custom-manufactured covers can also be quickly designed for any project needs.
