NAC LPT: IP-1 PACKAGING SOLUTIONS FOR RADIOACTIVE AND HAZARDOUS WASTE

NAC LPT is here to support your decommissioning and environmental projects. Our fleet of nearly 250 IP-1 intermodal containers, 10 IP-1 lidded gondola railcars, and 36 ABC railcars will help you to safely and affordably get your material where it needs to go. To better serve your needs, NAC LPT also provides transportation and technical services including characterization, radiological support, and expert shipping personnel. We'll handle your most challenging jobs, every time.
