

2011 Utility Working Conference & Vendor Technology Expo

August 14-17, 2011 ■ Westin Diplomat ■ Hollywood, Florida

“It’s Not Easy Being Green:

Innovations for Continued Safe, Secure, and Competitive Nuclear Operation”

Executive Track

Please join your Utility, NRC, NEI, INPO, and EPRI peers at the 2011 Utility Working Conference. This conference brings together executives throughout the industry and provides an environment conducive to open communications on current issues, lessons learned and innovations.

In addition to the sessions specifically geared for nuclear industry executives, the keynote speakers and the special plenary session on the Fukushima event will be particularly interesting and timely. Speakers: Marty Virgilio NRC; Tony Pietrangelo NEI; Bill Webster INPO; Chip Pardee Exelon
