GROUP CONFERENCE REGISTRATION - 2012 UTILITY WORKING CONFERENCE

PLEASE NOTE: The group conference registration applies for paid full meeting pre-registration fees only. It does not apply for additional event tickets, golf fees, Professional Development Workshop registration, or one-day registration fees. The group discount will not apply to individuals who have been designated as one of the two complimentary exhibitors as part of their \$2655.00 exhibit fee.

PRE-REGISTRATION

(paid before July 12, 2012)

	ANS Member	Non-Member
1-5 Attendees - no discount	\$795.00	\$945.00
6-9 attendees - 15% discount	\$675.75	\$803.25
10 or more attendees - 20% discount	\$636.00	\$756.00

IN ORDER FOR THE GROUP DISCOUNT TO APPLY, THE FOLLOWING CRITERIA MUST BE MET:

1) ANS requires the company or organization to complete a preregistration form for EACH attendee. The total amount of the discount should be deducted off of each of the individual's meeting registration fee. The amount of the group discount WILL NOT apply to the cost of any additional event tickets, the golf tournament or ANS Professional Development Workshops held in conjunction with the UWC.

2) All preregistration forms must be submitted TOGETHER prior to the preregistration deadline in order to receive the group discount. A master list with the names of all attendees included in the group discount must also accompany the preregistration forms. At that time, full payment for registration fees and for any additional tickets must accompany the group preregistration list and forms. Payments may be made with individual credit cards or as one group payment with a single credit card. If the company or organization chooses to pay with a company check, the group will not be registered until the check payment has been received at ANS.

3) The amount of the group discount will be determined on member or non-member status of each individual at the time that the registrations are received. ANS members within the group will receive a discount off of the ANS member rate and non ANS members will receive a discount off of the Non-Member rate. Non-Members within the group may choose to become a member of ANS and will then be eligible to receive the discount off of the ANS member fee. A membership application must accompany the individual's preregistration form in order for the member discount to apply.

4) The group discount will not apply to individuals who have been designated and registered as exhibit representatives for their organization. Each exhibiting organization is given two complimentary meeting registrations as part of the \$2655.00 expo fee. Additional attendees from exhibiting organizations may qualify for the discounted group rate if the number of attendees from their organization meets the criteria for the discounted group rate.
