Student Program Q&A Meeting:

There will be a short overview of the program held on Sunday at 4pm. Details of the meeting including room location and time are listed in the program. This brief meeting will cover the expectations of the program as well as basic information for how to be a Session Assistant. Student Headquarters Monitors **MUST** attend this meeting or make arrangements with the SP Chair to get the information before their assigned work period.

Description of Work Assignments:

Session Assistants:

Students will be assigned sessions based on preferred topic, availability, and the order in which the Student Program Registrations are received. As a Session Assistant, you are responsible for the following:

- The session sign should be in place 30 minutes prior to the start of the session, so you must arrive at the Student Headquarters **45 minutes** before your assigned session begins. This is to allow time to meet with the Student Headquarters Monitor and collect the session sign, name tents (if applicable), Session Chair Forms, Session Evaluation Forms and a laser pointer (if applicable). This is the procedure for both morning and afternoon sessions.
- You must dress in business attire and introduce yourself to the Session Chair prior to the first speaker.
- Complete any job that may be requested by the Session Chair. This may include counting those in attendance for each talk, setting up the laptop with presentations, turning on the projector, etc.
- Obtain a signature from the Session Chair verifying the length of the session and that you were in attendance for the entirety.

You may sign up for additional sessions that may be available at the orientation. This may be done with the SP Chair.

Student Headquarters Monitor:

The job of Student Headquarters Monitor is performed in 2-hour blocks and may be assigned to one of the following times:

- Monday: 7:30-9:30am or 12:00-2:00pm
- Tuesday: 7:30-9:30am or 12:00-2:00pm
- Wednesday: 7:30-9:30am or 12:00-2:00pm
- Thursday: 7:30-9:30am or 12:00-2:00pm

You will be required to give instructions to any other student who needs help with the program requirements, and provide session signs, name tents (if applicable), Session Chair Forms, Session Evaluation Forms and laser pointers (if applicable) to Session Assistants. **If a Session Assistant is not assigned or present for any of the technical sessions, the Student Headquarters Monitor must deliver the session signs, name tents, forms and laser pointers to the session rooms.** The SP Chair will be present in the Student Headquarters at the

American Nuclear Society

start and end of each 2-hour shift to ensure the assigned student is present, answer any questions, and sign the verification form.

Registration Packet Stuffer:

This job must take place on Saturday at noon. The ANS staff member in charge of registration packets will notify you of additional information approximately one week before the meeting. Other odd-jobs may be given to fill the two hours at the discretion of the ANS staff member. A maximum of three students will be assigned to this job.
