Application for Hosted Buyer Program

The undersigned is a commitment to participate in the 2015 Utility Working Conference Vendor Hosted Buyer Program, August 9-12, 2015, and agrees to all terms and conditions as noted below. Please complete and return this application to the American Nuclear Society, 555 North Kensington Avenue, La Grange Park, Illinois 60526; Attention: Meetings & Exhibits Department, by May 14, 2015. You may also fax your contract with complete information to the ANS Meetings & Exhibits Department at 708-579-8234 or email it to meetings@ans.org.

Terms and Conditions

For every \$1,000 contributed, two buyers or supply chain managers will be able to attend the UWC without paying a registration fee. Exhibitors who agree to support buyer attendance through the Hosted Buyer Program will be billed up to their pledge, for only the number of buyers who actually attend. The recipients will be selected from the Nuclear Supply Chain Strategic Leadership (NSCSL).

The contributing exhibitors will be charged directly by ANS at the time of the conference. No hosted or sponsored supply chain manager will be supported by any specific exhibitor.

Prior to arriving on-site at UWC, all exhibitors participating in the Hosted Buyer Program will be provided contact information of those buyers that have been accepted into the program. All buyers will also be provided contact information and booth numbers for those exhibitors who took part in the program. Along with receiving recognition in the program materials and increasing buying power on the show floor, we hope that this program will allow our exhibitors to setup appointments, booth visits or other networking opportunities.

The below company information should be as you would like it to appear in the Official Program and on signage for recognition at the meeting.
