VTS PAYMENT TERMS & DEFINITIONS

Viper Tradeshow Services has established the following terms and conditions for all services rendered:

IN ORDER TO RECEIVE A DISCOUNT:

Payment must accompany your advance order and be received prior to the early deadline date and with completed Payment Authorization Form. All payments to be in US currency.

OUTSTANDING PAYMENTS:

Viper Tradeshow Services **requires** payment for all services upon presentation of an invoice statement at the exhibit site.

It is the responsibility of the Exhibitor to advise the Viper Tradeshow Services Service Center representative of any problems with any orders before the start of the show. No credits will be issued after the exhibition closing.

Government Agencies please note: If your firm or agency requires a purchase order be issued for any services rendered such purchase order must accompany the order forms.

All materials and equipment are on a rental basis, except where specifically identified as a sale, and remain the property of Viper Tradeshow Services.

Exhibitors with a history of delinquent payments and/or open balances will be required to settle their past due accounts and forward an advance deposit to cover the estimated costs of service and, if such deposit is not sufficient, will be required to settle their accounts prior to the close of the exhibition.

Viper Tradeshow Services will accept payment by cash, company check, or Method of Payment for Visa, MasterCard or American Express. Viper Tradeshow Services reserves the right to check the credit available on any card presented. If the exhibitor fails to pay their invoice prior to the close of the show, the charges will automatically be applied to the credit card on file.

Tax Exemption Status: If you are exempt from payment of sales tax, we require you to forward an exemption certificate for the state in which the services are to be used. Resale certificates are not valid unless you are rebilling these charges to your customers.

Payment for all labor, equipment and services, whether ordered by the exhibitor, display builder, non-official contractor or other parties, shall be the responsibility of the exhibitor at the event.

Insurance: Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can usually be done by "riders" to existing policies.

EXHIBITOR APPOINTED CONTRACTORS (EAC) GUIDELINES

PLEASE COMPLETE AND RETURN BOTH EAC FORMS

Viper Tradeshow Services, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment.

Official Services Contracted are appointed to: insure the orderly and efficient installation and removal of the overall exposition, assure the distribution of labor to all exhibitors according to need, provide sufficient labor to satisfy the requirements of the exhibitors, and for the exposition itself, see that proper type and limits of insurance are in force, and avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are: the exhibitor may provide supervision, exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitors may employ the service of independent contractors to install and dismantle their display providing the exhibitor and the installation and dismantling contractor comply with the following requirements:

1. Exhibitor must notify in writing to Viper Tradeshow Services the intention to utilize an independent contractor (EAC) no later than 14 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
2. Exhibitor shall provide evidence that the EAC has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage and Workers' Compensation naming Viper Tradeshow Services as additionally insured, to show management and Viper Tradeshow Services at least 10 days before the show opening.
3. Exhibitor agrees that he is ultimately responsible for all services in connection with his exhibit, including freight, drayage, rentals and labor.
4. The EAC must have all business licenses, permit and Workers' Compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance.
5. The EAC will provide Viper Tradeshow Services the number of on-site employees at the time of check-in and see that they have, and wear at all times necessary, identification badges as determined by Show Management.
6. The EAC shall be prepared to show evidence that it has valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
7. The EAC must confine its operations to the exhibit area of its clients. No service desk, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
8. The EAC shall provide, if requested, evidence to Viper Tradeshow Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The EAC must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
9. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Viper Tradeshow Services. The exhibitor appointed contractor must coordinate all of its activities with Viper Tradeshow Services.
10. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

I have read the Exhibitor Appointed Contractors section of this manual and understand the terms and conditions. I understand that all the contractors listed above must be approved by Viper Tradeshow Services. I understand it is my responsibility to see that each representative from any EAC for my company abides by the rules and regulations of the event. I also understand that any EAC listed above that is not approved Viper Tradeshow Services will not be permitted on the floor.

5. Once you have packed up all your materials please hand in the BOL to the Viper Service Desk. Do not leave it in your booth! We will sign it and give you a copy, keep a copy and give the driver a copy! Please note, material handling must be paid in full.

*In the event you fail to turn in your BOL or your carrier does not check-in by the **7:00 PM** deadline, your freight will be re-consigned to the house carrier, Viper Tradeshow Transportation. Charges will be applied to the credit card on file, or sent Cash on Delivery (COD).
