Abstracts of the 1958 Winter Meeting

September 15 is the deadline for abstracts of papers to be presented at the 1958 Winter Meeting of the ANS to be held in Detroit, December 8-10. Abstracts should be sent to the Detroit Program Chairman, Alfred Amorosi, Technical Director, Atomic Power Development Associates, Inc., 1911 First Street, Detroit 26, Michigan. Walker L. Cisler, President of Detroit Edison Company and Lawrence R. Hafstad, Vice-President of General Motors Corporation are cochairmen of the meeting.

Transactions of Los Angeles Meeting, June 2-5, 1958

By order of the Board of Directors, the transactions of the 1958 Annual Meeting are being mailed to all members. The transactions of the coming meeting in Detroit, December 8-50, 1958 will also be mailed to all members without additional charge for 1958.

Membership

As of July 9, 1958, there were approximately 275 people in the process of becoming members of the ANS. If you receive a reference request from the Secretary's office or from a candidate please fill the request out immediately and mail it to the Chicago office.

Los Angeles Meeting

Registration at the Fourth Annual Meeting in Los Angeles was 825, of which 275 were non-members. About 115 of these non-members applied for membership during the month of June, to take advantage of the special offer to non-members who attend an ANS meeting.
