Fourth Annual Meeting

American Nuclear Society

JUNE 2-5, 1958 HOTEL STATLER

General Chairman: W. R. Hainsworth

Local Hosts: Southern California Section

Detailed information available from: Secretary's Office, P. O. Box 963,
Oak Ridge, Tennessee

Local Sections

The Pittsburgh Section now has 425 names on the mailing list for its section publication, "The Source." John Van Horn, Chairman of the Educational Committee, has announced the formation of a speaker's bureau, composed of section members who are available to student organizations, civic groups, and other groups, as speakers on a variety of topics covering vital phases of the nuclear industry.

The Oak Ridge Section has formed a temporary executive board consisting of: F. Kertesz, Chairman; George Boyd, program; Dixon Callihan, membership; Herbert MacPherson, publicity; H. M. Roth, by-laws and rules; George Watson, local arrangements; and Wesley Savage, secretary-treasurer.

ANNOUNCEMENT

A symposium on Radioactivity in Industrial Water and Industrial Waste Water, sponsored by American Society for Testing Materials Committee D-19, will be held on Thursday evening, June 26th, in connection with the ASTM Annual Meeting in Boston, Mass. A. R. Belyea, of Consolidated Edison Company, will chair the symposium, which will consist of five invited papers.
