General Chairmen: W. L. Cisler, The Detroit Edison Company; L. R. Hafstad, General Motors Corporation.

Local Arrangements Chairmen: A. P. Donnell, Atomic Power Development Association; H. A. Wagner, The Detroit Edison Company.

Local Program Chairman: A. Amorosi, Atomic Power Development Association; *Finance*, H. T. O'Connor, Holley Carburetor Company; *Hotel Rooms and Meeting Rooms*, M. C. Beekman, The Detroit Edison Company; *Ladies Program*, M. B. Lucas, General Electric Company; *Luncheon, Cocktails and Dinner*, A. C. Prine, Research Laboratories, Division of Bendix Aviation Corporation; *Plant Visits*, H. J. Gomberg, Michigan Memorial-Phoenix Project, and R. W. Hartwell, Power Reactor Development Company; *Printing—Program Copy*, F. R. Lesch, Atomic Power Development Association, and J. T. Liddie, The Detroit Edison Company; *Publicity—Newsletter*, J. D. Birchard, Atomic Power Development Association, and A. S. Griswold, The Detroit Edison Company; *Registration*, D. H. Loughridge, General Motors Corporation; *Student Program*, L. B. Johnson, Consumers Power Company; *Sunday Function*, A. Frye Ayers, Westinghouse Electric Corporation.

Local Sections

Northern California Section. Officers and directors for 1958–1959 are: Chairman, W. Kelly Woods; Vice Chairman, C. M. Rice; Secretary, W. H. Nutting; Treasurer, E. M. Kinderman; Directors, Karl Cohen, B. W. O. Dickenson and A. J. O'Donnel. Abel De Haan Jr. is in charge of publicity for the section. Edward Zebrowski will be the convention chairman for the ANS Winter Meeting in San Francisco, November or December 1960.

Northeastern New York Section. Officers and directors for 1958–1959 are: Chairman, V. L. Parsegian; Vice Chairman, D. W. Lillie; Treasurer, A. H. Fox; Secretary, R. N. Edwards; other members of the Executive Committees, H. Hurwitz, Jr., W. R. Kanne, K. Kasschau.

Pittsburgh Section. Officers for 1958–1959 are: Chairman, W. Esselman; Vice Chairman, J. Gray; Treasurer, F. Forscher; Secretary, James Funk.

Eastern Idaho Section. Officers and directors currently in office are: Chairman, W. B. Lewis; Vice Chairman, C. A. Trilling; Secretary, T. R. Wilson; Treasurer, J. K. Long; Executive Committee Members, P. C. Osterguard, J. D. Provost, W. E. Nyer.

Student Branches

Virginia Polytechnic Institute. Officers elected for the forthcoming year are: Chairman, John A. McClure; Vice-Chairman, Lee S. Anthony; Secretary, Gerald R. Taylor; Treasurer, David E. Butler; Honorary Chairman, Dr. A. Robeson.

Personnel

W. Kenneth Davis is now with the Bechtel Corporation, San Francisco. He was formerly the Director, Division of Reactor Development, AEC.

Dr. W. W. Grigorieff, former Secretary of ANS, is with the International Agency, for one year.

Dr. Norman Hilberry, Director of the Argonne National Laboratory, headed a team of nuclear experts who surveyed the atomic need and potential of Latin America. It was the first major project of its kind sponsored by the newly formed International Atomic Energy Agency which has its headquarters in Vienna, Austria.

David M. Schoenfeld, Rural Route No. 1, Box #70-A, Mariomi Road, New Canaan, Connecticut, has established private practice as a consulting engineer. He was formerly associated with Combustion Engineering. His special fields are nuclear steam generation, fuel burning, heat transfer, pressure vessels, and materials of construction.

ANNOUNCEMENTS

Atomic Industrial Forum. Annual Conference, Shoreham Hotel, Washington, D. C., November 10, 11, 12, 1958. Contact: Conference Manager, AIF, 3 East 54th Street, New York 22, N. Y.

The Impact of Peaceful Uses of Atomic Energy on State and Local Government. A meeting to be held in Columbus, Ohio, October 1958. The meeting will survey the effect of atomic energy development on the functions and operations of states and localities. For further information and the exact date, contact: Secretary of the AIF Committee on Standards, 3 East 54th Street, New York 22, N. Y.

Second Conference on Analytical Chemistry in Nuclear Technology. Oak Ridge National Laboratory Civic Auditorium, Gatlinburg, Tennessee, September 29, 30, October 1. Contact: C. D. Susano, Oak Ridge National Laboratory, P.O. Box Y, Oak Ridge, Tennessee.
