

Corrigendum

S. M. GRIMES, R. C. HAIGHT, and J. D. ANDERSON, "Measurement of Sub-Coulomb-Barrier Charged Particles Emitted from Aluminum and Titanium Bombarded by 15-MeV Neutrons," *Nucl. Sci. Eng.*, **62**, 187 (1977).

Figures 4 through 9 show reaction cross sections as a function of the energy of the emitted particles. Accordingly, the label on the abscissas should be "Emitted particle energy, E (MeV)," without mention of "Neutron energy." The Editor expresses apologies to the authors if the error originated during processing.
