

CORRIGENDUM

YOSHIAKI ARATA and YUE-CHANG ZHANG, "Achievement of an Intense Cold Fusion Reaction," *Fusion Technol.*, **18**, 95 (1990)

The caption for Fig. 14 on p. 102 should read as follows:

Fig. 14. Neutron emission from Pd₀ activated by a weak on-off effect, detected simultaneously and recorded on the same chart by different detectors. Each corresponding peak coincides with the other. The 3-mm shift between the peaks was due to a displacement of the recording pen.
