

CORRIGENDUM

J.-L. MOURLEVAT, A. PARRY, J.-F. PETRETOT, and J.-F. ASCHENBRENNER, "Instrumentation and Control Revamping," *Nucl. Technol.*, **92**, 300 (1990).

Due to unfortunate circumstances, the biography of J.-L. Mourlevat incorrectly reported his death. It was, instead, his coauthor, J.-F. Aschenbrenner, who passed away in May 1990. We regret any confusion caused by this error, and we apologize to M. Mourlevat and thank him for his forbearance.
